**FIELD AGENT'S NOTES:****K of C Long Term Care Insurance has Bonus Benefits**

Since its addition to the Order's product portfolio in 2000, long-term care insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care clients in the United States, a K of C Care policy brings added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus Long Term Care Insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you haven't yet spoken with your professional Knights of Columbus agent about long-term care insurance, you owe it to yourself to do so. There are many decisions to make in choosing a plan – benefit amounts and durations, facility only plan or one that covers home health care, and the length of the 'waiting period' before benefits kick-in are just a few of the items you'll need to consider.

Having a professionally trained agent --- and a Brother Knight you can Trust at that --- to help you through the process, is yet another valuable benefit that comes with your Knights of Columbus membership. Take advantage of it.

**MY LAST NEWSLETTER**

My Brother Knights, as I write my last Newsletter, I want to thank each and everyone of you for all your great help to make my year as Grand Knight a very rewarding year. I would also like to thank all of you that served as officers, both elected and appointed.

Again THANKS AND GOD BLESS EACH AND EVERYONE OF YOU.
