FIELD AGENT'S NOTES

It seems like just yesterday ...

Any parent reading this will quickly come up with countless ways to complete that last sentence. The point is – **time flies**, and tomorrow will (has!) arrived quicker than expected. *Will you be ready?*

If you meet annually with your *professional* Knights of Columbus agent, and address the needs that his analysis uncovers, the answer – at least financially – will be 'Yes.' During that annual visit, he'll take the time to review your needs, goals and budget. And

he'll *recommend* a program of life insurance, long term care insurance and guaranteed income annuities that will help you **rest easy at night**.

Paying for college for your children may be one of my family's current needs. Or you may be concerned about a comfortable, **worry-free retirement**. Or about needing costly long term care that could *deplete your hard-earned assets*. Or about having something to leave for your children or grandchildren.

Whatever your needs, whatever your concerns, I can help.

I'm at 501-204-9486 or randy.schnoebelen@kofc.org. Call me – let's talk.
